Dear Mr. Jack Harris,

Intent to run for the Board.

I have been a member of Coast Community radio since it started in 1983. Over the years, the organization has been such a positive force for the development and enrichment of our community. To continue to be that force depends on volunteers working with a dynamic staff. I have benefited so much from the beaming presence of the stations. Last year, I felt the tap on the shoulder, and ran for the Board, to complete a remaining one year term. I will run again for a two year term. As a Board member of Tillicum Foundation, I can best use my skills and resources to take my turn to help ensure that the organization continues to remain strong for years to come. I have included a short bio.

Yours truly,

Richard Hurley was born in Oakland, California, a third generation Northern Californian. An honors student in high school, he attended the University of California, Berkeley for four years, with a major in English. He moved to Oregon in 1970, settling in Astoria in 1975, where he raised three children. He and wife, Rosetta, continue to live in Astoria. He owned and managed several businesses, including an income tax service, which he sold after 20 years. Richard continues to pursue a career as a tax accountant, as an Oregon Licensed Tax Consultant, specializing in the needs of individuals, small businesses and nonprofit organizations. He is employed by WWC Business Solutions, Inc, an Astoria CPA firm. Committed to community service, Richard has served on numerous nonprofit boards over the years and has been for many years on the City of Astoria Budget Committee.
